Minutes	
Apologies	None

	Action
Declarations of Interest & Applications for Dispensations None	
Election of Chair Cllr Anne Elliott proposed Cllr Ron Kerby, seconded by Cllr Jonathan Duckworth. There were no other nominations.	
To consider the committee's priorities for 2018 Cllr Jonathan Duckworth discussed a new database he is working on. This will replace the current action list and allocates where the action sits within the Town Plan visions, its status and priority. The list was updated with the committee's priorities for 2018/19. This database needs to be available to all.	
To consider a report to remove a disused safe The report was discussed and it was agreed not to dispose of the safe.	
To receive a report on Town Hall redecoration quotes It was discussed that because it had not been decided whether to keep the Town Hall that it would put a hold on the redecoration. The Deputy Clerk reiterated that the Council has an obligation to keep its property in good condition and that some areas in the Town Hall are in desperate need of work. There needs to be a rolling programme for the future if the Town Hall is to be kept.	
To receive a report on the Town Gardening contract The report was received.
