

Nailsworth Town Council

Attendance Policy

1. Policy

- 1.1 The Town Council wishes to ensure that it delivers quality services. This can only be achieved if it is possible to provide consistency and ensure that disruption to service provision, due to staff absence, is minimised. In dealing with sickness absence the organisation must balance the needs of the individual employees against the need to provide and manage quality services, and the cost of employing temporary staff to cover absences.
- 1.2 The Town Council recognises that there will be occasions where employees will be absent through sickness or ill health. Policies and procedures are designed to ensure that any such absences are dealt with fairly and consistently, whilst taking into account individual circumstances.
- 1.3 The responsibility of managing absence lies with the Town Clerk and individual employees. The provision of management information and advice and guidance on managing absence and employee rights is the responsibility of the Town Council or Personnel Committee.
- 1.4 Where an employee's persistent short term absence or long term absence is a cause for concern and/or affecting the services provided, the Town Council may seek to terminate an employee's contract.

2. Reporting Sickness

- 2.1 Employees are required to notify the Town Clerk, or in the case of the Town Clerk's sickness the then Mayor should be informed, no later than 10am on the first day of the sickness, giving an indication of the likely length of absence. If the employee is unable to contact the Town Clerk they should leave a message on the Town Council telephone answering service.
- 2.2 Where an employee is absent for more than seven consecutive days (including weekends) they are required to obtain a Medical Certificate (Fit Note) from their Doctor or Hospital. The Medical Certificate should be sent to the Town Clerk in order that sick pay is processed.
- 2.3 Where an employee does not submit a Medical Certificate for a period of absence over 7 days they are not entitled to, and will not be paid, sick pay and may be disciplined for unauthorised absence.
- 2.4 Where an employee returns to work within seven days, the UK Government form 'Employee's Statement of Sickness' Form SC2, available online or from the Clerk, must be completed and sent to the Town Clerk/Mayor.

3. Probationary Period

3.1 Whilst it is recognised that there may be some genuine absence during the probationary period, prolonged or frequent absence during a probationary period may result in failure to confirm an employee in post or the termination of the contract prior to the completion of the probationary period.

4. Review of Sickness

4.1 The Town Clerk shall keep records of sickness absence. Where the pattern or amount of sickness is cause for concern, it is the responsibility of the Personnel Committee to raise the sickness record with the employee.

4.2 Where the Personnel Committee is concerned about an employee's absence record or length of absence from work, they must meet with the employee to discuss their sickness record. The Personnel Committee may require an employee to produce a Medical Certificate for all absences and where there is a continued concern employees should receive first and final warnings that their absence records could lead to the termination of their contract.

4.3 Examples of absences causing concern include:

- An absence repeated in 3 consecutive months
- Where there are four periods of absence in six months
- Where there is a long history of intermittent sickness

4.4 Where an employee's persistent short term absence or long term absence is a cause for concern and/or affecting the services the Town Council provides, it may seek to terminate an employee's contract. This will only be done after:

- Discussion with the employee
- Offering counselling, if appropriate
- Having sought Independent Medical Advice at no cost to the employee
- Offering suitable alternative employment, where appropriate

4.5 Employees have the right to refuse any independent medical examination, and the right to see, or withhold the results of any such examination and the right of appeal against any termination on the grounds of ill-health.

4.6 A return to work interview will be held with the line manager. An employee's absence may be for reasons other than ill-health. Where it is clear that this may be the case, the Personnel Committee should consider alternative appropriate action to resolve the difficulties facing the employee. In such cases the Town Clerk/Mayor will advise the Town Council as to options.

5. Statutory Sick Pay (SSP)

5.1 Employees are eligible for SSP only after 7 or more days incapacity for work, including weekends and holidays. Employees must complete SC2 form certifying their absence or provide a FIT note. Employees only receive SSP if their earnings are above the statutory minimum. Employees will not receive SSP if they do not advise the Town Council of their absence.
