Minutes	Katherine Kearns (Clerk)
Apologies	None

	Action
<b>Declarations of Interest &amp; Applications for Dispensations</b> None	
<b>Election of Chair</b> Cllr Sally Millet was proposed as Chair. Cllr Mike Kelly proposed Cllr Jonathan Duckworth seconded. There were no other nominations.	
<b>To consider the committee's priorities for 2018</b> The Chair, Clerk and Cllr Jonathan Duckworth will update the Environment committee priority list and circulate to all for comment.	<b>JD/SM/Clerk</b>
<b>To receive a report for information on Precious Plastics initiative</b> The report was discussed and it was thought it may be of interest to Nailsworth Sub Rooms' Community Workshop. Cllr Sally Millett will work with the Deputy Clerk to pass on this information to the Community Workshop.	<b>SM/Deputy Clerk</b>
<b>To receive a report on CPRE and consider replies to the questionnaire</b> The committee thought CPRE's survey was very vague with not much made of the effect of the proposals on market towns.  Cllr Robert Maitland undertook to draft a response and circulate it to the committee.	<b>RM</b>
<b>To receive a verbal report on the Climate Action Town event</b> Sponsorship for this event had been granted by NTC. It was reported that the event was quite well attended but felt that there is no quick solution to Climate Change. A practical response at the local level needs to be more nuanced.	
<b>To receive a verbal report on a sculpture trail for Nailsworth</b> Cllrs Emma Bonner and Sally Millett recently met a group of residents who are proposing a heritage/sculpture trail. It was agreed that any plans must fit in with the design of the whole town and future plans.	<b>SM</b>

Cllr Sally Millett will report back on any firmer plans from the group at the next meeting.	
<b>To receive a report on recent tree surveys for NTC land</b> The Clerk is waiting for a costed plan of 'winter works' identified from the recent tree survey. This will help NTC manage risk and tree stocks more responsibly. The survey information has been used twice already in relation to trees overhanging gardens in Norton Wood.
