2016/193	<b>To consider a response to recent communications from Ecotricity and the public consultation on the new development</b> Cllr Jonathan Duckworth and Cllr Robert Maitland wrote a letter to Dale Vince on 14 <sup>th</sup> October asking for Ecotricity to work closely with NTC to look at a whole master plan for the area. The response has just been received and Ecotricity would welcome a													

	<p>detailed plan with our ideas. It was discussed whether putting together a detailed plan would have any effect on Ecotricity's plans and it was felt that an alternative would not be considered.</p> <p>Cllr Steve Robinson reported that he had attended two meetings (with his CLT &amp; District hat on) and the plan was already in place and he did not feel that Dale Vince would change it. He has already reduced the number of houses and put in a community hub. They will be 'eco houses' but these do not benefit the wider community, only the people who live in them, and the development puts considerable strain on the local environment.</p> <p>It was felt the best way to respond was to ask for a meeting to discuss how to get the best community assets ie. shop/commercial offices/gym to create employment and health benefits.</p> <p><b>ACTION:</b> Cllr Jonathan Duckworth &amp; Cllr Robert Maitland to put together a letter requesting a meeting to discuss the best we can hope for the community.</p>	<b>JD/RM</b>
<b>2016/194</b>	<p><b>Confidential Item</b></p> <p>That pursuant to Section 1 (subsection 2) of the Public Bodies (Admission to Meetings) Act 1960 the public can be excluded from the meeting during consideration of the following proceedings because publicity would be prejudicial to the public interest by reason of the confidential nature of the business transacted.</p>	
<b>2016/195</b>	<p><b>To consider appropriate action for dealing with the Clerk's extra hours</b></p> <p>The Clerk has accrued a large amount of Time off in lieu, untaken annual leave and flexi time. It was discussed that the workload is now more manageable with the Deputy Clerk in post, and noted that a staff review will be regularly undertaken to ensure this does not happen in the future.</p> <p><b>Recommendation: Pay the Clerk for 2 weeks (10 days) excess hours worked (TOIL) at a gross cost of £1845.22. The remaining excess days to be taken by 31<sup>st</sup> March 2017. This means taking 6 days leave before the end of March (excluding holiday already booked for February)</b></p> <p><b>Proposed by Cllr Steve Robinson</b>  <b>Seconded by Cllr Sally Millett</b>  <b>All in favour</b></p>
