Revision of budget for current year 2010/11

Using a printout of income and expenditure for the first six months provided by the clerk members discussed and agreed adjustments to a number of budget heads across all committees.

It was agreed that the bequest money of £300,000 and the £698.35 received from local donations should be transferred to the Arkell Centre account.

Preliminary review of budget for next year

The clerk was asked to complete the schedule including the wish list items proposed by committees to form the basis of discussion at the next meeting on 24 November. Concern was expressed about the effect of possible cuts in SDC and GCC budgets although it was acknowledged that NTC's ability to mitigate the withdrawal of services was limited. Concrete information about the GCC budget proposals at least would be available in the next day or two.
