**Proposed budget for 2012/13**

Members considered the draft budget prepared by the Clerk and concluded that adoption of the entire wish list totalling £40,600 would require an unacceptably high increase in the precept. After considerable discussion it was agreed to prune the list to £22,700. The meeting was adjourned to 5 December to enable the Clerk to re-calculate the budget to take account of the suggested amendments.

**Resumption of consideration of proposed budget for 2012/13**

Discussion ensued and after some further adjustment it was agreed to recommend to council adoption of budget proposals limiting a rise in precept to 3.5%. The Special Council meeting to adopt the budget would be held on 12 December.
