**Proposed improvements to King George V Extension Field**

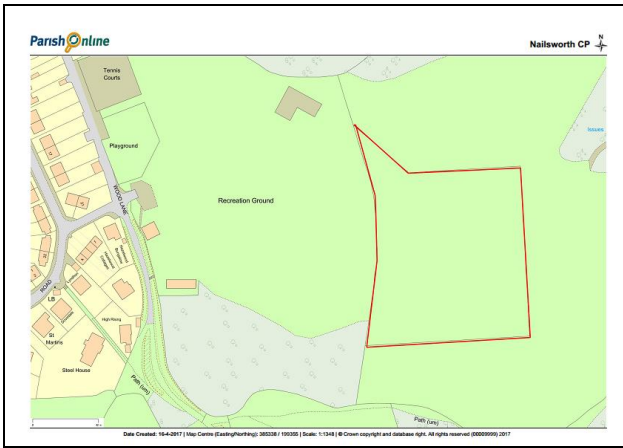

*This consultation has been put together by*

**Nailsworth Town Council**

KGV Extension Field is next to KGV Playing Field which already has a fenced play area, skate park, outdoor gym, table tennis, tennis courts, boule piste and football pitch. The Extension Field was previously used as a landfill site and has poor drainage. Over the years, the Town Council have looked at ways of improving the Field for community use.

The Town Council has asked landscape and play specialists to come up with proposals to make the Extension Field into a welcoming place for all ages.

Last year the grass was kept long with mown grass paths for people to walk around. This helped bees and other insects. The long grass was cut for hay and used by a local farmer.

### What about the money?

The Town Council has £12,000 from a local development to spend on the Field. We will also be applying for grant funding.

### How can you help?

Our plan is to improve the park for people of all ages while working with tricky landscape conditions. The Field has poor drainage but lovely views. It is popular with dog walkers.

The Town Council has asked landscape companies to present the town with their ideas for an imaginative, natural park which is inviting for people and for wildlife.

We'd like to know what you think about their ideas and help decide which one to choose.

### How can you have your say?

#### 1) Questionnaire

Please take a few moments to fill out this questionnaire. Please return them to the Town Hall or Town Information Centre by **Friday 26<sup>th</sup> May 2017**

#### 2) Come to the meeting

The Recreation & Amenities Committee next meet in the Town Hall on

**Tuesday 6<sup>th</sup> June at 7.30pm**

You are welcome to come to this meeting.

#### 3) Tell your friends

The proposals and survey will be on our website. Please tell your friends so they can have their say.

### Which proposal do you like the most?

Proposal 1       Proposal 2

Proposal 3       Proposal 4

Proposal 5       Proposal 6

### Which parts do you like?

seating       wildlife areas

play equipment       grass paths

(please tick all that apply)

### What don't you like?

---

---

### Is there anything else you would like to see in the new park?

---

---

### Would you be interested in joining a Friends of KGV Field group to help make decisions, look after and raise funds for the park?
