Declarations of Interest & Applications for Dispensations

There were none.

To consider advertising for a Town Gardening contract for the maintenance of the town centre gardens

There was a discussion regarding the town gardener position. The committee had several questions about the position which they would like clarified:

How many hours would need to be covered?

Is the £4,500 pro-rata'd?

Could the length of the contract be for a year initially and then be extended?

Who would the person report to?

1. It was **recommended** to advertise the Town Gardening contract providing the above points are confirmed.

All agreed

To receive an update regarding the review of NTC facilities and hire charges

Hire charges across the board were discussed and the office were thanked for the work being put into this.

To receive a report regarding the KGV disabled toilet door

There was a discussion regarding the door and the facilities in the KGV changing room in general.
