

**NAILSWORTH TOWN COUNCIL**  
**Minutes of the Environment Committee**  
Held at 7pm in the Town Hall on Tuesday 6<sup>th</sup> September 2022

**Present:**

ClIr Angela Norman (Chair)  
ClIr Mike Kelly  
ClIr Natalie Bennett  
ClIr Patsy Freeman  
ClIr Robert Maitland

**Minutes:**

Deputy Clerk

**Apologies:**

ClIr Colleen Rothwell

**Declarations of Interest & Applications for Dispensations**

There were none.

**To consider the results of a consultation on improvements (wooden posts and trees) to the greens at Star Hill**

There was a discussion regarding the options and the committee requested that the office carry out further work.

It was **recommended** that the office look into alternative options such as large stones etc. There was also an additional recommendation to request that the office look in to whether Severn Trent would cover the costs to reinstate the flood drains at Star Hill green and create a swale.

**To consider a claim of £250 for damages to a fence caused by a tree branch falling from Norton Wood**

It was **recommended** to reimburse the resident £250 for the cost of repairs to the fence

**To receive a report regarding tourism development**

The was a discussion regarding Tourism within the town and the Stroud District. The report was noted, and thanks were given to the Deputy clerk for the progress made on tourism. The committee also wished to thank the office staff for the work they have done to coordinate and promote Heritage Open Day (which takes place on the 10<sup>th</sup> September).
