Apologies: There were none

Declarations of Interest & Applications for Dispensations

There were none.

To consider extra winter tree work to coppice Goat Willows at KGV

It was **recommended** that emergency tree work to Willow trees in KGV playing field be carried out at a cost of £1,025

To consider consulting with residents about tree planting at Nympsfield Road Common

It was **recommended** to carry out a consultation for tree planting on Nympsfield Road Common

To consider improvements (wooden posts and trees) to the large green at Star Hill

There was a discussion regarding the reasons for the initial installation of the posts and now the subsequent need to plant trees.

It was **recommended** to consult on the installation of wooden posts at Star Hill Green and to consult on tree planting at Star Hill and Moffatt Road Greens. In addition, the committee would like ongoing match day parking issues to be raised with Forest Green Rovers along with a discussion about the need for the town council to carry out work like this to protect the Greens.

To receive an update regarding footpath accessibility improvements

The report was noted and there was a discussion regarding the improvement of footpaths around the town and ways in which these paths could be publicised.

To receive a report on birdlife and tree planting in Norton Wood Orchard

The report was noted, and thanks were given to Terry for a thorough and informative report.
