Declarations of Interest & Applications for Dispensations

There were none.

To consider a proposal by NiB to plant a cherry tree in Mortimer Garden

There was a discussion regarding the important work that the NiB volunteers do.

It was **recommended** that the support NiB's proposal to plant a cherry tree of their choice in Mortimer Garden as part of the Queen's Green canopy and to recommend that the tree is planted between Autumn and March to reduce stress on the newly planted tree with a watering plan put in place by NiB for at least three for at least three years.

To consider improvement work to the higher footpath at Bunting Hill

It was **recommended** to agree to spend up to £800 to improve the Bunting Hill footpath.
